A SUNDAY FOR POSTMEN.

Movement Started by Clergymen of Several Denominations. New York, June 8.—A movement which aims to secure a Sunday day of rest for all the postmen in the United States was inaugurated yesterday at meetings of New York clergymen of several denominations. A memorial was prepared which will be presented to Postmaster General Hitchcock urging as the first step an official investigation of the work now being performed by post office employees in the United States. It points out that British and Canadian cities have no Sunday collections or deliveries. Congress will be asked to act on the matter at its next session.

New England at The Front.

As most of our readers know Seattle will have this summer a great exposition to exhibit the marvelous resources of the Pacific northwest and Alaska and we are pleased to see by the Seattle papers that the New Englanders in that section are planning great things for Aug. 5 which is set apart as New England club day. On that day a duplicate of the Mayflower will cast anchor in the lake fronting the exposition grounds and 102 descendants of Puritans will disembark in small boats, clothed in continental garb, and reproduce the landing on Plymouth rock. One of the enthusiastic members of the New England club is Charles H. Knapp, formerly of St. Johnsbury, and in a recent article in the Post-Intelligencer he states that there are 2,500 men over 21 years of age living in Seattle who were born in one of the New England states. The New England club has secured headquarters through the exposition in the Haller building in that bustling city, and all New Englanders who visit the Yakona-Pacific exposition are cordially invited to make these rooms their rendezvous while in the city.—St. Johnsbury Caledonian.

What We Are Doing

in the way of making easy, satisfactory shopping. Everybody wants their money's worth and they do not expect much more. Then they want goods that they are to be satisfied with. This we cannot always do but by hard trying are coming very near it. At this time we call your attention to the following that are just now displayed in our windows.

TRAVELING BAGS AND CASES.

Vacation time is so near that this sale will give all who want a good substantial Bag or Case at a popular price a chance to see and select from a better assortment than is usually shown by us. We make a special of Straw Cases with leather ends and as ladies like a light weight Case, these seem to be their favorite. Many men are of the same opinion and buy them for their own use so much that they are outselling the leather goods.

We buy the very best Bag on the market and all are leather lined. If your Leather Bag comes from us, it is the same as warranted to be good for years of hard wear.

TRUNKS.

We do not carry a large lot of Trunks nor a cheap line of Trunks. What we do carry are the best and you won't have to pay but little more than for poorer Trunks. Let us show you. We are easy if you say so.

We have these Trunks with full set of skirt boxes so that you can lay skirts at full length and not get them crushed or tumbled. They are ladies' Trunks and just what they need.

We have Combination Trunks with hat and skirt boxes combined. These Trunks are carried in our new basement and very easily shown.

CORSET COVERS.

This morning we did not have one dozen all together of 25c or 50c Corset Covers. This has never happened before in the sixteen years that we have been with you. Only a few days ago we had over 300. You ask where are they? We have sold them and have just received by express as many more.

We ask your inspection of these Corset Covers. You may see in them the same values that the others have.

25c Corset Covers all have trimmed arm-eyes. Our 25c Corset Covers are not made for large profits. They are put out to make a large line of Muslin Underwear popular.

ANOTHER CASE SETTLED.

Bottom Drops Out of Civil Docket at Middlebury.

Middlebury, June 8.—Addison county court reassembled at two o'clock yesterday afternoon when the case of John W. Hodges vs. William Geo. Which was standing first for trial, was announced as settled and discontinued. The case of Kate Cramer vs. Leona S. Stanton, a collection suit involving \$500, was marked not for the jury as the plaintiff failed to appear in court to protect her rights and failed to furnish any excuse. This left the only civil case standing open as Milo S. Denio, administrator of the estate of Robert M. Denio, vs. the town of Ferrisburgh and in this case Judge Butler is disqualified from sitting. This finished up the work of the civil docket, probably for the term. State's Attorney Frank W. Tuttle announced that he would be ready to begin the trial today of Charles Marston who was convicted at the December term of court of an assault upon Miss Anne Smith. He has been in the house of correction under a sentence of five years but was granted a new trial by the supreme court. This case will take up the rest of the week.

The score: Innings... 1 2 3 4 5 6 7 8 9—R H E Randolph... 2 2 0 0 0 1 0 4—9 10 3 Hartford... 0 0 0 0 0 0 0 0—0 2 7 Batteries, Vail and Spooner, Randolph; and Gillett, time, 1:25; umpire, Neibaum; attendance, 225.
